The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF TWO AMENDMENTS FOR EQUIPMENT MAINTENANCE  
AND REPAIR SERVICES AGREEMENTS**  
(All Districts) (3 Votes)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Amend Agreement No. H-207976 with American Bio-Medical Services Corporation (ABMSC), substantially similar to Exhibit I, effective January 1, 2006, to: 1) increase the maximum obligation from \$134,534 to \$405,985, an increase of \$271,451, and total two-year maximum obligation of \$811,970, net County cost, for maintenance and repair services of medical equipment at five Sheriff's Department custody facilities; 2) extend the term through December 31, 2007 for the continued provision of maintenance and repair services; 3) increase the total maximum obligation by no more than 25% above the Calendar Year (CY) 2006 maximum obligation for unanticipated maintenance and repair services and additional equipment coming off warranty, for a potential annual increase of \$101,497 and total two-year potential increase of \$202,994, net County cost.
2. Amend Agreement No. H-700099 with Shimadzu Precision Instruments, Inc. (Shimadzu), substantially similar to Exhibit II, effective January 1, 2006 through December 31, 2009, to: 1) increase the maximum obligation for maintenance and repair services of radiology equipment at various Sheriff's Department custody facilities from \$91,200 to \$291,200, an increase of \$200,000, and total four-year maximum obligation of \$1,164,800, net County cost; 2) increase the total maximum

obligation by no more than 25% above the CY 2006 maximum obligation for unanticipated maintenance and repair services and additional equipment coming off warranty, for a potential annual increase of \$72,800 and total four-year potential increase of \$291,200, net County cost.

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTIONS:

The purpose of these recommended actions is to enable the Sheriff's Department's Medical Services Bureau to utilize two Department of Health Services (DHS) Agreements to ensure the continued provision of maintenance and repair services for critically-needed medical and radiological equipment located at various custody facilities, currently obtained by the Sheriff's Department under Internal Services Department (ISD) Agreements that expire December 31, 2005.

Implementation of Strategic Plan Goals

The actions meet the County's Strategic Plan Goals of Service Excellence and Organizational Effectiveness by promoting best practices in maintaining patient care equipment and providing flexibility to ensure that all the equipment is maintained to industry, licensing, and certification standards.

FISCAL IMPACT/FINANCING:

The total funding under Amendment No. 2 to Agreement No. H-207976 with ABMSC is \$405,985, an increase of \$271,451 for a two-year total of \$811,970, net County cost. The total funding under Amendment No. 3 to Agreement No. H-700099 with Shimadzu is \$291,200, an increase of \$200,000, net County cost. Under the Director's delegated authority, the maximum obligation of the Agreement with ABMSC for DHS may be increased by a total \$33,634, and may be increased by a total of \$67,863 for the Sheriff's Department for a potential increase of \$101,497 per CY, or 25% of the total maximum obligation for CY 2006, and the maximum obligation of the Agreement with Shimadzu for DHS may be increased by a total of \$22,800, and may be increased by a total of \$50,000 for the Sheriff's Department for a potential increase of \$72,800 per CY, or 25% of the total maximum obligation for CY 2006. Any increase implemented under delegated authority will be funded within existing resources.

Funding has been included in the Fiscal Year 2005-06 Final Budget and will be requested in future fiscal years.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The proposed Amendments will provide both routine and emergency equipment maintenance and repair services to medical and radiological equipment located at various Sheriff's Department facilities, in accordance with performance standards and in compliance with all

accrediting and reviewing agencies' requirements. The Amendments may be terminated for convenience by County upon 30 days advance written notice to Contractor.

American Bio-Medical Services Corporation

On April 30, 2002, the Board approved Agreement No. H-207976 with ABMSC through December 31, 2004 for the provision of maintenance and repair services at various DHS facilities.

On December 14, 2004, the Board approved Amendment No. 1, to Agreement No. H-207976 effective January 1, 2005 through December 31, 2006. In that same action, the Board delegated authority to the Director of Health Services to add or delete equipment with various equipment maintenance service providers and increase the maximum obligation up to 25% above the CY 2005 allocation.

Since the ISD Agreement with ABMSC expires on December 31, 2005, the Sheriff's Department requested to be included in the existing DHS Agreement for the continued provision of maintenance and repair services of equipment located at various custody facilities.

Amendment No. 2 will enable the Sheriff's Department to obtain uninterrupted maintenance and repair services of medical equipment and extends the term of the Agreement through December 31, 2007.

Shimadzu Precision Instruments, Inc.

In addition to the Amendment with ABMSC for maintenance and repair of medical equipment, the Sheriff's Department requested to be included in an existing DHS Agreement with Shimadzu for maintenance and repair services of radiology equipment. DHS sought bids from Shimadzu and EP Radiological who currently provide maintenance and repair services of radiology equipment at various DHS facilities. The Sheriff's Department selected Shimadzu primarily because they are the Original Equipment Manufacturer for three of their eight radiology units and are able to provide the services at a lower cost than their current provider, Radiological Specialist Inc. The ISD Agreement with the current provider, Radiological Specialist, Inc., under which the Sheriff's Department has obtained the necessary services, expires on December 31, 2005.

On June 17, 2003, the Board approved Agreement No. H-700099 with Shimadzu for radiology equipment maintenance and repair services for the period of July 1, 2003 through December 31, 2003, and subsequently approved Amendment No. 1 on December 16, 2003, effective January 1, 2004 through December 31, 2004.

On December 14, 2004, the Board approved Amendment No. 2, effective January 1, 2005 through December 31, 2009. In that same action, the Board delegated authority to the Director

of Health Services to add or delete equipment with various equipment maintenance service providers and increase the maximum obligation up to 25% above the CY 2005 allocation.

Approval of Amendment No. 3 will enable the Sheriff's Department to utilize the services of Shimadzu, effective January 1, 2006 through December 31, 2009.

The Department has determined that these are not Proposition A agreements because the services are provided on a part-time or intermittent basis, and therefore, provisions of the County's Living Wage Program do not apply.

DHS and the Sheriff's Department will be responsible for the monitoring activities of contractual compliance for their respective facilities.

These Amendments include the most recent Board mandated provisions, including the "Contractor Responsibility and Debarment" and "Contractor's Charitable Activities Compliance" paragraphs.

County Counsel has approved Exhibits I and II as to form.

Attachment A provides additional information.

#### CONTRACTING PROCESS:

Under an Agreement obtained with ISD, ABMSC has been providing maintenance and repair services for the medical equipment located at the Sheriff's Department custody facilities and will continue the provision of those services by being included under the current DHS Agreement with ABMSC.

The Sheriff's Department ISD Agreement with Radiological Specialist Inc. expires December 31, 2005. DHS sought bids from Shimadzu and EP Radiological Services, Inc. (EP Radiological), two contractors currently providing maintenance and repair services of radiology equipment throughout DHS facilities, to include the Sheriff's Department's radiology equipment maintenance and repair services.

The Sheriff's Department reviewed the bids and conducted a comparison of cost and services between Shimadzu and EP Radiological. The Sheriff's Department selected Shimadzu primarily because Shimadzu is the Original Equipment Manufacturer for three of the Sheriff's Department's radiology units and is able to maintain and support other radiology equipment manufacturers' equipment utilized throughout the various Sheriff's Department custody facilities at a significant cost savings over the current provider of services. In addition, EP Radiological expressed an interest in only three of the eight radiology units whereas Shimadzu indicates they can service all of the equipment.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

The approval of these actions will ensure that necessary maintenance and repair services for equipment located at the Sheriff's Department custody facilities are provided without interruption.

When approved, this Department requires three signed copies of the Board's action.

8. Paragraph 35, CONTRACTOR RESPONSIBILITY AND DEBARMENT,  
of the ADDITIONAL PROVISIONS shall be revised to read as follows:

"35. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is County's policy to conduct business only with responsible contractors.

B. Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor on this or other contracts, which indicates that Contractor is not responsible, County may, in addition to other remedies provided in the contract, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years or be

permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with County.

C. County may debar Contractor if County's Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated a term of a contract with County or a nonprofit corporation created by County, (2) committed an act or omission which negatively reflects on Contractor's quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.

D. If there is evidence that Contractor may be subject to debarment, the Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether contractor should be debarred, and if so, the appropriate length of time of the debarment. Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right at its sole discretion to modify, deny, or adopt the proposed decision and recommendation of the Hearing Board.

G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may,

after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following:

(1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor

Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

I. These terms shall also apply to any subcontractors of County Contractors."

9. Paragraph 39, CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE, shall be added to the ADDITIONAL PROVISIONS as follows:

"39. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:  
The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of

2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Exhibit H, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)."

10. Except for the changes set forth hereinabove, Agreement shall not be changed in any respect by this Amendment.

EXHIBIT A-1

EQUIPMENT MAINTENANCE AND REPAIR SERVICES AGREEMENT

DESCRIPTION OF SERVICES

1. SCOPE OF WORK: Contractor shall provide services described in this Exhibit A-1 for equipment listed in Schedules C-2 and C-3, attached hereto and referenced herein. Contractor's services shall include, but not be limited to, the following:

A. Development and maintenance of a comprehensive equipment inventory;

B. Development and maintenance of equipment Risk Management Program;

C. Routine preventive maintenance services; and

D. As-needed equipment repair services.

2. CONTRACTOR PERSONNEL:

A. Contractor shall designate an administrator to lead and coordinate Contractor's day-to-day provision of preventive maintenance and repair services hereunder. Upon request by Director, Contractor's administrator shall be available at all reasonable times (Monday through Friday, 8:00 a.m. to 5:00 p.m.) to explain the services it is providing to County hereunder; such explanation shall include, but not be limited to, providing oral presentations on behalf of the Director, and upon Director's request, providing written reports to each appropriate Facility

receiving services herein.

Contractor shall notify County, in writing, of the name, telephone (e.g., cellular [cell phone]), pager, and facsimile/FAX number(s) of Contractor's designated day-to-day administrator within ten (10) calendar days prior to the effective date of this Agreement.

B. Contractor's administrator shall be responsible for determining daily work duties, staffing levels, scheduling, and staffing hours needed to properly provide preventive maintenance and repair services hereunder, which shall be prepared in writing and submitted to the Director for approval, before any such services are provided. During the term of this Agreement, Contractor shall have available and shall provide upon request to authorized representatives of Director, the names of Contractor's staff (including any subcontractor staff), their titles, professional degrees (if any), salary history, and experience in providing services hereunder.

C. Contractor's administrator shall institute and maintain appropriate supervision of all persons providing services pursuant to this Agreement. Further, unless directed pursuant to this Agreement by Director to do otherwise, Contractor shall work independently on designated assignments in accordance with the Statement of Work duties

contained hereunder.

D. Contractor assumes the sole responsibility for the timely completion of all activities assigned or to be performed hereunder.

3. COUNTY PERSONNEL: County does not anticipate assigning County personnel or employees to assist Contractor on a full-time or even a part-time basis regarding services to be provided by Contractor pursuant to this Agreement. However, County personnel will be made available to Contractor at the discretion of Director to provide necessary input and assistance in order to answer questions and provide necessary liaisons between Contractor and County. In any event, County further will provide Contractor with an appropriate contact person at each work site location to be served under this Agreement.

4. SPECIFIC CONTRACTOR RESPONSIBILITIES: Contractor shall provide the following services for all equipment listed in Schedules C-2 and C-3:

A. Comprehensive Equipment Inventory and Preventive Maintenance Schedule:

(1) Each year, Contractor shall, in association with appropriate Facility staff, develop and maintain a comprehensive equipment inventory listing all equipment covered under this Agreement. Such list shall include each equipment's model number, serial number, and

specific location (e.g. room number) at each Facility. Such listing shall also include the Los Angeles County Capital Asset Leasing or Los Angeles County number, where applicable.

(2) Contractor shall provide each Facility with a preventive maintenance service schedule for all equipment covered under this Agreement. Contractor shall include, as part of such schedule, the preventive maintenance service requirements established by the Facility for each listed equipment. In any event, Contractor shall ensure that all equipment is maintained to minimum regulatory compliance standards.

B. Risk Management Program: Contractor shall, in association with Facility staff, develop and maintain an equipment risk management program. Such Program shall require written documentation of all medical incidents that involve equipment covered under this Agreement, whereby such equipment has or may have caused or contributed to a patient's injury, serious illness, or death. Such documentation shall describe the incident, the equipment involved in the medical incident, and any subsequent examination of such equipment. The Facility administrator, or his designee, in consultation with Contractor and Facility's Risk Manager, shall provide direct oversight of

all activities to decommission, sequester, and examine any equipment which has been involved in a medical incident. Neither party shall use, clean, discard, alter, or repair any equipment involved in such incident prior to said equipment's examination.

C. Routine Preventive Equipment Maintenance Services:

Contractor shall provide routine preventive maintenance services for the equipment listed in Schedules C-2 and C-3 on days and at times mutually agreed to by Facility and Contractor. The number of preventive maintenance visits are specified in Schedules C-2 and C-3, and must be performed in accordance with the Original Equipment Manufacturer's (OEM's) recommendations regarding the frequency of preventive maintenance services, and must comply with all appropriate licensing and accrediting agencies' [e.g., Joint Commission on the Accreditation of Healthcare Organizations (hereafter "JCAHO"), Occupational Safety and Health Administration (hereafter "OSHA"), and Title 22] standards.

Preventive maintenance services shall include, but not be limited to, inspection, cleaning and lubrication, safety inspection, functional tests and adjustments or calibrations necessary to facilitate proper functioning of the equipment, and replacement of worn, defective or broken parts with new parts specifically designed for the Equipment.

Preventive maintenance services exclude services required under a manufacturer's warranty, providing Equipment upgrades, modification, installation of Equipment, or Equipment relocation.

Each July 1<sup>st</sup> of every year, Contractor shall provide Facility with an annual preventive maintenance schedule for all Equipment covered under this Agreement. Contractor shall include, as part of such annual preventive maintenance schedule, the Equipment preventive maintenance requirements established by Facility for specific Equipment. In any event, Contractor shall ensure that all Equipment is maintained to meet regulatory compliance standards.

D. Major Equipment Overhaul Services: Contractor shall provide regularly scheduled major overhaul services for all equipment listed in Schedules C-2 and C-3 in accordance with the OEM's recommended schedule for such overhaul services. If the repair services commence prior to 5:00 p.m. (Monday through Friday), but extend beyond 5:00 p.m., no additional service charges are to be incurred by County.

E. As-needed Equipment Repair Services: Contractor shall provide (non-emergency and emergency) repair services on a twenty-four (24) hours per day, seven (7) days per week basis, including all legal County holidays. Contractor shall

respond telephonically within one (1) hour of a request for emergency repair services and shall have its service personnel at Facility to provide the repair services within four (4) hours of receiving the request for emergency repair services. If the repair services commence prior to 5:00 p.m. (Monday through Friday), but extend beyond 5:00 p.m., no additional service charges are to be incurred by County, in accordance with Schedules B-2.

If repair services are required after 5:00 p.m., Monday through Friday, or on weekends and holidays, such services shall be considered "Out-of-Scope" services and shall be billed to County at the hourly rate of Eighty-Five Dollars (\$85) or portion thereof, rounded up to the nearest quarter hour.

Any replacement parts provided hereunder shall be billed to County at the rate of cost plus ten percent (10%), upon written consent of Director, in accordance with Schedules C-2 and C-3. Replacement parts shall be new or equivalent to new parts.

If, upon arrival at Facility, Contractor determines that the Equipment cannot be immediately repaired, then Contractor's service representative shall indicate, in writing, an estimated timeframe for repair.

Repair shall include diagnosis and corrections of

malfunctions and/or failure occurring to said equipment. With approval by Facility's Administrator or his designee, temporary repair procedures may be followed by County's personnel while Contractor is concurrently developing a permanent repair to said equipment. If Contractor is unable to procure necessary additional parts or resources within twenty-four hours after repair to said equipment has begun Facility's Administrator or his designee shall have the option of (1) requiring replacement equipment if available until service can be completed by Contractor on above described equipment or, (2) allowing Contractor to resume repair services to said equipment as soon as repair parts or resources are available. In any event, Contractor shall repair the said equipment or have approved plan for repair of said equipment or provide County with temporary replacement equipment if available within twenty-four hours after repair work on County-owned equipment has begun.

F. Breakage and/or Loss: Contractor shall replace and/or repair (at the time of servicing) any equipment and/or parts thereof which suffer breakage, damage or loss at the time of servicing or repair, which is caused by the negligence or willful misconduct of Contractor, and to the extent thereof, at no additional cost to County.

G. Rework: Contractor shall rework improperly

repaired equipment, correct any damage resulting therefrom, and supply all necessary parts and materials therefore at no additional cost to County. Service personnel shall also repair any defective parts purchased and installed by such service personnel and shall repair any damage to the equipment resulting from, and to the extent of, Contractor's negligence or willful misconduct, at no additional cost to County.

H. Electrical System Upgrades and Improvements:

Contractor shall provide all upgrades and improvements for electrical equipment for the equipment covered under this Agreement. All such electrical upgrades and improvements shall be provided at no additional cost to County, unless the OEM charges Contractor for such electrical system upgrade or improvement. In such event, Contractor shall bill County its cost for the electrical system upgrade or improvement.

5. EXCLUSIONS:

A. Contractor has no obligation to provide the repair services above should any repair be required because of causes other than ordinary use of the equipment, as determined by County. Such causes include, but are not limited to:

- 1) Gross neglect, misplacement, air conditioner

or humidity control malfunction or failure, Medical Facility electrical system malfunction or failure;

2) Repair, maintenance, modification, relocation, or reinstallation by any other than Contractor authorized personnel;

3) Acts of God, fires, floods, war, acts of sabotage, riots, accidents, or other such causes.

B. Charges for service to repair Equipment due to the above excluded items shall be invoiced at the hourly rate of Eighty Five Dollars (\$85). Invoices for services provided hereunder shall be rendered separately and payment by Facility is due within thirty (30) calendar days of receipt of Contractor's invoice.

6. ENGINEERING HARDWARE AND SOFTWARE ENHANCEMENTS: All engineering hardware and software upgrades or enhancements ("Enhancements") developed by the manufacturer and provided by the manufacturer at no cost to the Equipment hereunder shall automatically be made available and installed on the equipment at Facility.

Enhancements developed by the manufacturer and provided by the manufacturer at a price shall be made available for installation on the equipment at Facility only upon request and approval of Facility at Contractor's then-current list or exchange price.

Invoices for Enhancements provided hereunder shall be rendered separately and payment by Facility is due within thirty (30) calendar days of receipt of Contractor's invoice.

7. EQUIPMENT PERFORMANCE STANDARDS: The guaranteed performance uptime for each equipment is a minimum of 95%. The performance of each equipment will be reviewed four (4) times or as often as necessary as determined by Facility to verify uptime performance standard yearly, during each year the equipment is covered under this Agreement. Should the equipment fail to meet the uptime criteria in any calendar month, a credit based upon the service contract price for the calendar month will be determined as follows:

<u>Equipment Uptime</u>	<u>Quarterly Price Credit</u>
95% - 100% uptime	0%
90% - 94.9% uptime	10%
85% - 89.9% uptime	15%
80% - 84.9% uptime	20%
Below 79.9% uptime	25%

The basis for each measurement period is the total number of hours per day the Equipment is in service at Facility times number of days in service per month. In service is defined as in use or in stand-by status available for and by Facility. Downtime is calculated from the time a telephone call is made to Contractor.

Downtime shall be determined in monthly increments by calendar month in accordance with the following:

Total hours per day equipment is in service times the number of days in service per month times 95%

The equipment shall be considered out-of-service if the equipment is inoperable or not able to perform the function it was designed to perform. County will determine the function of the equipment.

Time spent on regularly scheduled maintenance, will be excluded from these performance calculations. Additionally, time the Equipment is not operable due to damage from misuse, operator error, inadequate environmental conditions including air conditioning, failure or fluctuations in Facility's electrical power supply, acts of God, strikes or fires, will also be excluded from these performance standards.

Contractor shall maintain a log specifying the dates and the causes of all unplanned equipment downtime. Facility's will validate the log as often as necessary, not less than annually. Credit shall be applied to the next following month's invoice. Failure to request credit in following months invoices shall not constitute a waiver of such right which may be exercised at any subsequent time.

Equipment uptime below the 85% uptime defined above, for thirty (30) consecutive calendar days or more, shall be considered at a default and County shall have the right to give Contractor notice thereof.

8. GENERAL CONTRACTOR REQUIREMENTS:

A. Business License: Prior to the execution of this Agreement, Contractor shall provide the Department of Health Services, Contracts and Grants Division with a copy of its current business license(s) and appropriate Employer Identification Number.

B. Recruitment: Contractor shall screen all personnel prior to assigning such personnel to provide services at Facility to assure that all such persons have the qualifications and training necessary to perform the services contemplated under this Agreement. All such service personnel shall be appropriately licensed, certified, credentialed or trained to perform the maintenance and repair services as necessary and shall have, as a minimum, knowledge and expertise in the following areas:

- 1) Diagnosis and inspection of equipment to determine maintenance and repair needs;
- 2) Routine cleaning, lubrication, and repair as necessary, of equipment;
- 3) Electrical and safety inspection as necessary, of equipment;
- 4) Calibration and functional testing as necessary; and

5) Required accreditation, regulatory and licensing needs for equipment serviced.

C. Contractor Personnel Qualifications: Contractor personnel providing services hereunder shall obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations and certifications required by law which are applicable to their performance hereunder. Copies of such licenses, permits, registrations and certificates shall be made available to County upon request for purposes of inspection and audit.

D. Infection Control: If any of Contractor's personnel are diagnosed with having an infectious disease, and Contractor is made aware of such a diagnosis and such person has had contact with a County employee or patient during the usual incubation period for such infectious disease, then Contractor shall report such occurrences to Facility's Infection Control Department within twenty-four (24) hours of becoming aware of the diagnosis.

If a County employee or patient is diagnosed with having an infectious disease, and such County employee or patient has had contact with Contractor's personnel during the usual incubation period for such infectious disease, Facility shall report such occurrences to Contractor. For purposes of this Agreement, the infectious diseases

reportable hereunder are those listed in the Public Health List of Reportable Diseases.

E. Physical Examination: Contractor shall ensure that each person who performs services under this Agreement is examined by a licensed physician, or other licensed medical practitioner authorized to perform such physical examinations, on an annual or biannual basis, as required by the JCAHO and Section 70723, Title 22, California Code of Regulations and shall provide County, upon request, with evidence that each such person is free of infectious/contagious disease(s) which would interfere with the person's ability to perform the services hereunder or which could be transmitted in the work place, is immunized against common communicable diseases, has received an initial chest X-ray, an annual TB skin test or TB symptoms evaluation or periodic chest X-ray, a measles (Rubeola) and Rubella antibody titer demonstrating immunity and/or vaccination, and been offered a Hepatitis B antibody titer demonstrating immunity and/or vaccination. In those instances where persons have no demonstrated immunity, and have refused vaccination, a waiver to that effect must be on file and provided upon request.

Written certification that such person is free of infectious disease(s), has been tested and/or vaccinated as

required above, and physically able to perform the duties described herein shall be retained by Contractor for purposes of inspection and audit and made available to County upon request.

9. COUNTY'S QUALITY ASSURANCE PLAN: County, or its agent, will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

10. BILLING AND PAYMENT:

A. Billing:

1) Billings to County shall be submitted monthly in arrears in accordance with the rate schedule set forth in Schedules B-2.

2) All billings hereunder shall be by Facility, shall be in duplicate, and shall be forwarded to the appropriate Facility and address as specified in the

BILLING AND PAYMENT Paragraph of the Agreement.

3) All billings hereunder shall clearly reflect and provide reasonable details of the services for which claim is made, a description of services performed, the date(s) of such services, and shall include a copy of the service report(s).

4) All billings rendered by Contractor shall be in the name of Contractor as said name appears on the first page of this Agreement and shall include the County contract number.

B. Payment:

1) Subject to the terms and conditions of this Agreement and upon receipt of a complete and correct billing statement, and upon approval by Director of same, County shall reimburse Contractor within thirty (30) calendar days in arrears upon receipt of Contractor's billing(s). County shall pay for all services which County considers complete and correct. Payment for incorrect billings shall be included when resolved in the next payment cycle.

2) County shall compensate Contractor monthly in arrears in accordance with the rate schedules described in Schedules B-2.

Director shall evaluate all services and tasks

performed by Contractor. If, in the Director's sole discretion, a service or task is not satisfactorily performed, Director shall provide Contractor with a written assessment of the deficiencies. Contractor shall, within ten (10) working days of receipt of Director's deficiency notification, remedy the identified deficiencies, at no additional cost to County. This approval process shall be repeated until Director deems all deficiencies have been remedied. Unless and until Contractor remedies all identified deficiencies, County shall not have any obligation to pay Contractor for deficient work performed under this Agreement.

F. During the term of this Agreement the Director may amend Schedules A-2, B and C, if additional maintenance and repair services are needed and may increase the maximum obligation by no more than twenty-five percent (25%) above the Calendar Year ("CY") 2006 allocation of Two Hundred Ninety-One Thousand, Two Hundred Dollars (\$291,200) of which Seventy-Nine Thousand, Two Hundred Dollars (\$79,200, all in annual preventive maintenance) is for Harbor/UCLA Medical Center, in accordance with Schedule A-2, Twelve Thousand Dollars (\$12,000) (\$9,840 in annual preventive maintenance and \$2,160 in reserve funds) is for Rancho Los Amigos National Rehabilitation Center, in accordance with Schedule B, and Two Hundred Thousand Dollars (\$200,000) (\$124,800 in annual preventive maintenance and \$75,200 in reserve funds) is for the Sheriff's Department, in accordance with Schedule C."

6. Agreement Paragraph 11, NOTICES, shall be revised to add the following:

"11. NOTICES:

A. Notices to County shall be addressed as follows:

- 3) Los Angeles County Sheriff's Department  
Twin Towers Correctional Facility  
Medical Services Bureau  
450 Bauchet Street, Room E-873  
Los Angeles, California 90012  
Attention: Captain, Medical Services  
Bureau"

7. Paragraph 40, CONTRACTOR RESPONSIBILITY AND DEBARMENT, of the ADDITIONAL PROVISIONS shall be revised to read as follows:

"40. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is County's policy to conduct business only with responsible contractors.

B. Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor on this or other contracts, which indicates that Contractor is not responsible, County

may, in addition to other remedies provided in the contract, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with County.

C. County may debar Contractor if County's Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated a term of a contract with County or a nonprofit corporation created by County, (2) committed an act or omission which negatively reflects on Contractor's quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.

D. If there is evidence that Contractor may be subject to debarment, the Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether contractor should be debarred, and if so, the appropriate length of time of the debarment. Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the

Board of Supervisors. The Board of Supervisors shall have the right at its sole discretion to modify, deny, or adopt the proposed decision and recommendation of the Hearing Board.

G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the

request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board

I. These terms shall also apply to any subcontractors of County Contractors."

8. Paragraph 45, CONTRACTOR'S CHARITABLE ACTIVITIES

COMPLIANCE, shall be added to the ADDITIONAL PROVISIONS as follows:

"45. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Exhibit B, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)."

9. Except for the changes set forth hereinabove, Agreement shall not be changed in any respect by this Amendment.

IN WITNESS WHEREOF, the Board of Supervisors of the County of Los Angeles has caused this Amendment to be subscribed by its

/

/

/

Director of Health Services, and Contractor has caused this  
Amendment to be subscribed in its behalf by its duly authorized  
officer, the day, month and year first above written.

STATEMENT OF WORK

PREVENTIVE MAINTENANCE AND REPAIR SERVICES

January 1, 2005 through December 31, 2009

1. CONTRACTOR PERSONNEL:

A. Contractor shall designate an administrator to lead and coordinate Contractor's day-to-day provision of preventive maintenance and repair services hereunder. Upon request by Director, Contractor's administrator shall be available at all reasonable times (Monday through Friday, 8:00 a.m. to 5:00 p.m.) to explain the services it is providing to County hereunder; such explanation shall include, but not be limited to, providing oral presentations on behalf of the Director, and upon Director's request, providing written reports to each appropriate County facility receiving services herein.

Contractor shall notify County, in writing, of the name, telephone (e.g., cellular [cell phone]), pager, and facsimile/FAX number(s) of Contractor's designated day-to-day administrator within ten (10) calendar days prior to the effective date of this Agreement.

B. Contractor's administrator shall be responsible for

determining daily work duties, staffing levels, scheduling, and staffing hours needed to properly provide preventive maintenance and repair services hereunder, which shall be prepared in writing and submitted to the Director for approval, before any such services are provided. During the term of this Agreement, Contractor shall have available and shall provide upon request to authorized representatives of Director, the names of Contractor's staff (including any subcontractor staff), their titles, professional degrees (if any), salary history, and experience in providing services hereunder.

C. Contractor's administrator shall institute and maintain appropriate supervision of all persons providing services pursuant to this Agreement. Further, unless directed pursuant to this Agreement by Director to do otherwise, Contractor shall work independently on designated assignments in accordance with the Statement of Work duties contained hereunder.

D. Contractor assumes the sole responsibility for the timely completion of all activities assigned or to be performed hereunder.

2. COUNTY PERSONNEL: County does not anticipate assigning County personnel or employees to assist Contractor on a full-time

or even a part-time basis regarding services to be provided by Contractor pursuant to this Agreement. However, County personnel will be made available to Contractor at the discretion of Director to provide necessary input and assistance in order to answer questions and provide necessary liaisons between Contractor and County. In any event, County further will provide Contractor with an appropriate contact person at each work site location to be served under this Agreement.

3. SERVICES TO BE PROVIDED BY CONTRACTOR:

A. Routine Preventive Maintenance Services:

Contractor shall provide routine preventive maintenance services for the Systems listed in Schedules A-2, B and C, attached hereto and incorporated herein by reference, on days and at times mutually agreed to by and Contractor. The number of preventive maintenance visits must meet the reasonable needs of, must be performed at regularly scheduled intervals and must comply with all appropriate licensing and accrediting agency [e.g., Joint Commission on the Accreditation of Healthcare Organizations ("JCAHO"), Occupational Safety and Health Administration ("OSHA"), and Title 22] and College of American Pathologist ("CAP") standards. In any event, Contractor shall ensure that all Systems are maintained to minimum regulatory compliance

standards.

Preventive maintenance services shall include, but not be limited to, equipment inspection, cleaning and lubrication, safety inspection, functional tests and adjustment or calibrations necessary to facilitate proper functioning of the equipment, replacement of worn, defective or broken parts with new parts specifically designed for the equipment, repair kits, valves, traps, door gaskets, heating elements, lubricants, and performance verification tests. Preventive maintenance services exclude modifications, major overhaul, special services, installation of equipment, equipment relocation, operating supplies or consumables; floppy diskettes; refinishing the products or furnishing materials for that purpose; or electrical work external to the products.

B. As-needed Non-Emergency and Emergency Equipment Repair Services:

- 1) Contractor shall perform as-needed non-emergency repair services within four (4) hours after notification by on an eight (8) hours per day, five (5) days per week basis, Monday through Friday between 8:00 a.m. and 5:00 p.m. (excluding County holidays). If the repair services commence prior to 5:00 p.m.,

Monday through Friday, but extend beyond 5:00 p.m., no additional service charges are to be incurred by the County. Such services shall include all labor and all parts as specified in this Agreement.

2) Contractor shall perform emergency repair services on a twenty-four (24) hours per day, seven (7) days per week basis, including County holidays. If the emergency repair services are required after 5:00 p.m. through 8:00 a.m., Monday through Saturday, such services shall be billed at the rates set forth in Schedules A-2, B and C, at a minimum of four (4) hours portal to portal. Emergency repair services required on a Sunday or County Holiday shall be billed at the rates set forth in Schedules A-2, B and C, at a minimum of four (4) hours portal to portal. Such hourly rate shall include all labor and all parts.

C. Conditions:

1) Breakage and/or Loss: Contractor shall replace and/or repair (at the time of servicing) any System and/or parts thereof which suffer breakage, damage or loss at the time of servicing or repair, which is caused by the negligence or willful misconduct of Contractor, and to the extent thereof, at no

additional cost to County.

2) Rework: Contractor shall rework improperly repaired System, correct any damage resulting therefrom, and supply all necessary parts and materials therefore at no additional cost to County. Service personnel shall also repair any defective parts purchased and installed by such service personnel and shall repair any damage to the System resulting from, and to the extent of, Contractor's negligence or willful misconduct, at no additional cost to County.

3) Reports: Contractor shall prepare and maintain a written record of all services (service report) provided on each piece of System at Facility. Such service report(s) shall: i) meet all licensing, accrediting and regulatory agency requirements, ii) clearly identify the System serviced by model number, serial number, Los Angeles County Capital Asset Leasing (LACCAL) or Los Angeles County number (if available), iii) include an itemization and description of services performed, including electrical checks and calibration reading, iv) list any parts installed, v) include the service date(s), and vi) give the name of the service technician who performed the service. A copy of such

service report shall be given to the designated bio-medical equipment coordinator at Facility at the time the service is performed. Such service reports are the property of County and shall remain on-site at Facility.

D. Comprehensive Equipment Inventory and Preventive Maintenance Schedule: Each year, Contractor shall, in association with appropriate Facility staff, develop and maintain a comprehensive equipment inventory listing all systems covered under this Agreement and located at Facility. Contractor shall provide with an annual preventive maintenance schedule for all Systems covered under this Agreement. Contractor shall include, as part of such annual preventive maintenance schedule, the System preventive maintenance requirements established by Facility for specific System. In any event, Contractor shall ensure that all Equipment is maintained to minimum regulatory compliance standards.

E. Risk Management Program: Contractor shall, in association with staff, develop and maintain an Equipment risk management program. Such Program shall require written documentation of all medical incidents that involve medical equipment covered under this Agreement, whereby such

equipment has or may have caused or contributed to a patient's injury, serious illness, or death. Such documentation shall describe the incident, the medical equipment involved in the medical incident, and any subsequent examination of such equipment. The Facility administrator, or his designee, in consultation with Contractor and Facility's Risk Manager, shall provide direct oversight of all activities to decommission, sequester, and examine any medical equipment which has been involved in a medical incident. Neither party shall use, clean, discard, alter, or repair any medical equipment involved in such incident prior to said equipment's examination.

4. EXCLUSIONS:

A. Contractor has no obligation to provide the repair services above should any repair be required because of causes other than ordinary use of the Systems, as determined by the County. Such causes include, but are not limited to,

1) Improper use, gross neglect, misplacement, air conditioner or humidity control malfunction or failure, electrical system malfunction or failure;

2) Repair, maintenance, modification, relocation, or reinstallation by any other than Contractor-authorized personnel;

3) Acts of God, fires, floods, war, acts of sabotage, riots, accidents, or other causes.

B. Charges for service to repair Systems due to the above excluded items shall be invoiced at the rates set forth in Schedules A-2, B and C. Any replacement parts provided hereunder shall be invoiced at the Contractor's then current list or exchange price plus sales tax and freight, upon written consent of Director. Invoices for services provided hereunder shall be rendered separately and payment by Facility is due within thirty (30) calendar days of receipt of Contractor's complete and correct invoice.

5. GENERAL CONTRACTOR REQUIREMENTS:

A. Business License: Prior to the execution of this Agreement, Contractor shall provide the Department of Health Services, Contracts and Grants Division with a copy of its current business license(s) and appropriate Employer Identification Number.

B. Recruitment: Contractor shall screen all personnel prior to assigning such personnel to provide services at Facility to assure that all such persons have the qualifications and training necessary to perform the services contemplated under this Agreement. All such service personnel shall be appropriately licensed,

certified, credentialed, registered or trained to perform the maintenance and repair services and shall have, as a minimum, knowledge and expertise in the following areas:

- 1) Diagnosis and inspection of each Equipment to determine maintenance and repair needs;
- 2) Routine cleaning and lubrication, as necessary, of each Equipment;
- 3) Electrical and safety inspections, as necessary, of each Equipment; and
- 4) Calibration and functional testing, as necessary.

C. Contractor Personnel Qualifications: Contractor personnel providing services hereunder shall obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations and certificates required by law which are applicable to their performance hereunder. Copies of such licenses, permits, registrations and certificates shall be made available to County upon request for purposes of inspection and audit.

D. Infection Control: If any of Contractor's personnel are diagnosed with having an infectious disease, and Contractor is made aware of such a diagnosis and such person has had contact with a County employee or patient

during the usual incubation period for such infectious disease, then Contractor shall report such occurrences to County Facility's Infection Control Department within twenty-four (24) hours of becoming aware of the diagnosis.

If a County employee or patient is diagnosed with having an infectious disease, and such County employee or patient has had contact with Contractor's personnel during the usual incubation period for such infectious disease, County Facility shall report such occurrences to Contractor.

For purposes of this Agreement, the infectious diseases reportable hereunder are those listed in the Public Health List of Reportable Diseases.

E. Physical Examination: Contractor shall ensure that each person who performs services under this Agreement is examined by a licensed physician, or other licensed medical practitioner authorized to perform such physical examinations, on an annual or biannual basis, as required by the JCAHO and Section 70723, Title 22, California Code of Regulations and shall provide County, upon request, with evidence that each such person is free of infectious/contagious disease(s) which would interfere with the person's ability to perform the services hereunder or which could be transmitted in the work place, is immunized against

common communicable diseases, has received an initial chest X-ray, an annual TB skin test or TB symptoms evaluation or periodic chest X-ray, a measles (Rubeola) and Rubella antibody titer demonstrating immunity and/or vaccination, and been offered a Hepatitis B antibody titer demonstrating immunity and/or vaccination. In those instances where persons have no demonstrated immunity, and have refused vaccination, a waiver to that effect must be on file and provided upon request.

Written certification that such person is free of infectious disease(s), has been tested and/or vaccinated as required above, and physically able to perform the duties described herein shall be retained by Contractor for purposes of inspection and audit and made available to County upon request.

6. BILLING AND PAYMENT:

A. Billing:

1) Billings to County shall be submitted monthly in arrears in accordance with the rate schedule set forth in Schedules A-2, B and C.

2) All billings hereunder shall be by Facility, shall be in duplicate, and shall be forwarded to the appropriate Facility and address as specified in the

BILLING AND PAYMENT Paragraph of the Agreement.

3) All billings hereunder shall clearly reflect and provide reasonable details of the services for which claim is made, a description of services performed, the date(s) of such services, and shall include a copy of the service report(s).

4) All billings rendered by Contractor shall be in the name of Contractor as said name appears on the first page of this Agreement and shall include the County contract number.

B. Payment:

1) Subject to the terms and conditions of this Agreement and upon receipt of a complete and correct billing statement, and upon approval by Director of same, County shall reimburse Contractor within thirty (30) calendar days in arrears upon receipt of Contractor's billing(s). County shall pay for all services which County considers complete and correct. Payment for incorrect billings shall be included when resolved in the next payment cycle.

2) County shall compensate Contractor monthly in arrears in accordance with the rate schedules described in Schedules A-2, B and C.

Director shall evaluate all services and tasks performed by Contractor. If, in the Director's sole discretion, a service or task is not satisfactorily performed, Director shall provide Contractor with a written assessment of the deficiencies. Contractor shall, within ten (10) working days of receipt of Director's deficiency notification, remedy the identified deficiencies, at no additional cost to County. This approval process shall be repeated until Director deems all deficiencies have been remedied. Unless and until Contractor remedies all identified deficiencies, County shall not have any obligation to pay Contractor for deficient work performed under this Agreement.
